CLEARINGHOUSE RULE 95-142

Comments

[NOTE: All citations to “Manual” in the comments below are to the Administrative Rules Procedures Manual, prepared by the Revisor of Statutes Bureau and the Legislative Council Staff, dated October 1994.]

2. Form, Style and Placement in Administrative Code

a. The introductory material contained in current s. Opt 4.01 has not been included in the rule. If the introductory material is not going to be amended, the treatment clause of SECTION 4 should state that “Opt 4.01 (1) to (7) are amended to read:”. However, the agency may wish to add “does all of the following” before the colon in s. Opt 4.01 (intro.).

b. The treatment clause of SECTION 8 of the rule indicates that s. Opt 6.05 (2) (c) is being amended. However, the rule does not amend par. (c).

5. Clarity, Grammar, Punctuation and Use of Plain Language

For purposes of clarity, it would be helpful to insert the phrase “any of the following” before the colon in s. Opt 5.08 (1) (intro.).
